

BOB REITER

MEMORIAL SHOOT - HUNTER 3D

40+ Target Hunter 3D
August 24th & 25th, 2024

Bob was one of the founders of the Saratoga Archery Club over 60 years ago, and has probably shot more arrows and done more work at the club than anybody. Before ATV's, Bob would use his VW pickup to haul targets, lumber, posts and 3D targets around the range.

Even though Bob hasn't been able to shoot for a few years, he still came to every meeting, and most of our shoots just to see the archers and tell some of his **LEGENDARY** stories.

The archery community has lost a very special friend, and the Saratoga Archery Club is extremely grateful to Bob for all that he did for the club.

MAY ALL OF YOUR ARROWS FLY STRAIGHT WITH THE ANGELS.
