Sun: 8am–2pm

OPEN TO THE PUBLIC!

No Crossbows – Scoring Optional Concessions Available

Harold was one of the nine founding members of the Saratoga Archery club over 60 years ago. Each of those founders invested \$900 of their hard earned money, which was a lot back then. Harold was a very active member his entire life, even after he could no longer shoot he spent much of his retirement maintaining the range. There would be no Saratoga Archery club today without the passion and dedication of Harold.

HAPPY TRAILS HAROLD
